Your comments: (Please provide both general comments and comments on items you indicated as "Disagree" and "Strongly Disagree")

Facilitator was very good, provided ample time for practical sessions, was easygoing, not reading straight from manual so I wasn't bored.

Please give the course an overall rating out of 10:

9 / 10

Your comments: (Please provide both general comments and comments on items you indicated as "Disagree" and "Strongly Disagree")

I thought before that it may have been a summary course and I would have only learnt a little on top of what I had self taught. In practise the course showed how much I had been missing out on
